Agartala, October 1: NCC Unit of Swami Vivekananda Mahavidyalaya, Mohanpur, West Tripura organized an awareness rally on Swachhata Hi Seva in the adopted village Harinakhola as a part of the SHS-2023 theme 'Garbage Free India'. This campaign was to make people and students of the village aware about the importance of cleanliness and Hygiene.

The college also organised a Seminar on the importance of Swachhata, various issues like hazards of plastic pollution, personal hygiene & sanitation and importance of cleaning of water bodies were discussed. Dr. Prasanta Deb, ANO & Associate Professor in Human Physiology discussed about the importance of cleanliness and how to remain free from various diseases. Sri. Abhijit Bhattacharjee had explained the overall benefits of cleanliness and moreover he emphasized on the financial benefits of India, if every villages adopted swachhata as a regular practice with reference to the report by UNICEF. Finally, the session was concluded by Dr. Haradhan Saha, Principal, he discussed the objectives behind the Swachha Bharat Abhiyaan according to the Prime Minister of India.

A total of 49 NCC cadets and other students along with the teachers and non-teaching staff were participated in cleanliness drive initiated in college campus. They truly set the example of "Ek Tareekh Ek Ghanta -Swachhata Ke Liye Shramdaan".
