## **PLACEMENT BROCHURE OF SWAMI VIVEKANANDA MAHAVIDYALAYA, MOHANPUR, WEST TRIPURA.**

### **About the College:**

Swami Vivekananda Mahavidyalaya is located on the Agartala-Simna Road in the Mohanpur Sub-division under the West Tripura district. It is the only general degree college in the Mohanpur sub-division with a population of approximately 1.5 lakhs. The college is 17 K.Ms. away from the capital city, Agartala. The college campus is spread on 24.4 acres. As a part of celebration of 150<sup>th</sup> Birth Anniversary of great Indian Philosopher, Swami Vivekananda, The Government of Tripura named the College after Swami Vivekananda. It was inaugurated on 4<sup>th</sup> August 2012 by the former Chief Minister of the State, Sri Manik Sarkar. The college has a three storied Administrative block and a three storied Academic block. The college is affiliated permanently to **Tripura**

**University** (A Central University) in 2017. The College has also received the recognition from **UGC under 12b & 2f**(*Vide Letter no. 8-174/2018/CPP-I/C dated 10/04/2018.*)

Swami Vivekananda Mahavidyalaya started its academic journey with the introduction of general subjects viz.-English, Bengali, Political Science and History. Subjects like Education & Kokborok were added later.

In Aug-2014 Bio-Sciences(Botany, Human Physiology & Zoology) as elective subjects was introduced.At present Honours/Major is offered in subjects like Bengali, Political Science, History, Education Botany, Human Physiology and Zoology.

**Vision:**

***“TO PROVIDE QUALITY EDUCATION WITH A HUMANE TOUCH”***

**Mission:**

To encourage, enable & prepare students for higher studies by imparting the correct aptitude and empowering them for employment in different sectors.

**Objectives:**

- To prepare students for state civil service exams (TCS/TPS/TFS)
- To prepare the students for banking service examinations
- To make the students computer literate
- To make the students learn conversation in English language

**Message from the desk of Principal:**

Swami Vivekananda Mahavidyalaya is a unique place for study in the lap of nature. Though, it started its journey from 4<sup>th</sup> August 2012, as compared to other Degree colleges of our state it is in its nascent stage; but its well qualified teachers and staff has proven through their activities that in the coming days it will grow and serve the society with a new generation of human resource comprising Discipline, Education & Humanity. The institute provides the ambiance where new ideas can flourish in the brain of studentscreate well established personalities.

The institute aspires to be one of the best Degree Colleges in the state. For this dreams to be fulfilled I hope for the best.-----**Dr. Nirmal Bhadra (Principal in Charge)**

**Message from the desk of Coordinator of College Placement Cell:**

Every student enters into a college or in any learning institution with a dream. They dream to learn more and make their lives meaningful and to get established in the society. Such learning institution at present, not only provides education on different subjects, but also helps those students to get acquainted with the changing scenario of socio-economic condition of this world. At present, there are many scopes to get established in a highly competitive world if a student has achieved a good knowledge and remains alert and smart enough to face the competition. To guide the students to seek a job, a college plays an important role. A placement cell in General Government Degree colleges thus tries to help students to inform about higher studies, new jobs, prepare them for the interviews or written tests and if possible arranges to go for campus interviews with the help of private organizations. The placement cell of this institution has these ideas to get fulfilled in near future. I hope our endeavor will be a success in near future.-----**Dr.Gautam Bhattacharjee (Coordinator of Placement cell)**

## **Infrastructure**

The institution has the following infrastructure-

- It has two Computer Labs & three Bio-science laboratories.
- Class rooms for science and arts students
- Playground and sports equipment
- It has separate wash rooms for students (Ladies and Gents) and for staff.
- The college provides separate boys and girls common room.
- There is a library with good number of books.
- For visually challenged students books written in Braille are provided.
- Facility of pure drinking water (R.O. & Cold system) for the students & staff.
- There is one smart class with projector facility.
- It has a canteen for both students, teachers and office staff
