The institutional Strategic/ perspective plan

The Principal regularly meets with department heads and the Conveners of different sub-committees, the Students' Council to review policies, plans, and potential implementation strategies. The college has its own strategic plans for its development, such as:

1. Introducing subjects such as Psychology, Physics, Chemistry, and Mathematics.
2. Construction of Solar Power Plant, Hostels, Auditorium, and NCC Training Academy are in the future plan of the college.
3. Collaboration with local SHGs for recycling of paper and other craft-related activities.
4. Installation of Sanitary Vending Machine in the college.

Admission of Students: The rules and regulations of Tripura University are being followed.

Research and Development: Teachers are motivated to participate in conferences, seminars, workshops, and training programs and enrolment in Ph.D.

Examination and Evaluation: The examination process follows the guidelines of the Tripura University. Continuous multimodal evaluation is conducted for the Internal assessment of students in the form of Unit Tests, Oral Presentations, Project writing, etc.

Curriculum Development: The College follows the prescribed syllabus and curriculum designed by Tripura University. Four new subjects have been introduced from 2022-2023.

Teaching - Learning: The college follows the student-centric approach viz. experiential learning, participative learning, and problem-solving methodologies to enrich students' learning experiences.
