Report of Zoological Field Visit 2022

Date of visit: 14th November 2022

Place of visit: Tepania Eco-Park, Udaipur, Dist.: Gomati, Tripura

Number of students: 48

Teaching Staff: 02 (Sudip Sa Debbarma, HOD and Dr. S.K.S. Jamatia)

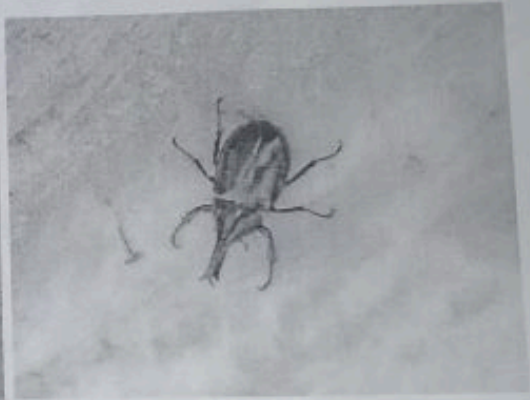

Class- BSC (Honours) 5th Semester and BSC (General) 3rd Semester

As a part of our courses offered in B.Sc. Zoology Programme of Tripura University, a field trip was arranged for our BSC (Honours) 5th Semester and BSC (General) 3rd Semester Students to Tepania Eco-Park, Udaipur, Dist.: Gomati, Tripura. A total of 48 students participated in this field trip. The trip was planned for one day on 14th November 2022. The students spent nearly three hours and visited several enclosures maintained by the Tepania Ecological Park authority and got exposure to various bio-diversity present in this park. The field trip was planned to experience the field exposure cum practical knowledge pertaining to their in-field understanding of ecology. Such Field trips to the ecological park are a great way to observe animals in their natural habitat and feel a connection to wildlife. Students will be actively engaged in conservation and sustainability, and filled with opportunities to get up-close and personal with wildlife.
