'BEST PRACTICES' OF SWAMI VIVEKANANDA MAHAVIDYALAYA, MOHANPUR, WEST TRIPURA

Best Practice - I

1. Title of the Practice: Morning Assembly & Value Education Classes

2. The Practice:

- All Faculty members and students attend the morning assembly at 11 a.m. The singing of the National Anthem is followed by the reading of quotations and news/current affairs. Different announcements are made by the Principal/teachers and queries of students are resolved.
- 'Value Education' classes are conducted every Friday for Faculty members and students.

3. Evidence of Success: The practice of Morning Assembly has instilled the sense of discipline, confidence and self-esteem among the students. Value education classes have enhanced camaraderie and unity among the students who selflessly volunteer for different social causes such as conducting awareness campaigns on Drug Abuse, Environment Pollution, Blood Donation camp etc.

4. Problems Encountered and Resources Required: The most difficult challenge is reaching out to a section of students suffering from social and emotional issues who prove to be resistant to any kind of help.

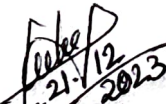

Best Practice - II:

Title of the Practice: Green Initiatives

2. The Practice: All college notices are given on the college website and different Whatsapp Groups. The College also encourages duplex printing.

3. Evidence of Success: The e-academic management system and duplex printing have visibly reduced the use of paper.

4. Problems Encountered and Resources Required: Financial constraints, Lack of awareness, inadequate supporting infrastructures.
