**'INSTITUTIONAL DISTINCTIVENESS' OF SWAMI VIVEKANANDA MAHAVIDYALAYA,
MOHANPUR, WEST TRIPURA**

One of the major thrust areas of the institution is to promote tolerance and understanding among the learners by imparting value education. The College focuses keenly on the holistic development of students and provides them with every opportunity and resource to facilitate their overall development. This is one of the most distinctive features the College, the details are given below in brief:

- A "**Patha Chakra**" which transmits knowledge on the humanitarian philosophy, concepts, and aspirations of Swami Vivekananda, is routinely conducted in the college with the aim of fostering tolerance and understanding among the learners. Faculty Members and Students regularly attend this session that imparts knowledge on the humanitarian philosophy, thoughts and ideals of the great Indian saint and Philosopher Swami Vivekananda. This surely reflects in the way our NSS Volunteers and NCC Cadets work towards promoting harmony and community-bonding in various activities of the college.
- **NCC Unit and NSS Unit of the College** actively organize several programmes like Cleanliness Drive, Plantation Drive, Plogging etc. in and around the college premises. They have been proactively involved in awareness programs on hazards of plastic, drug abuse, campaigns on gender equity, women's health etc. To strengthen community-interaction with the local residents, they also conducted an "**Awareness Campaign on Dengue**" in the Harinakhola village of Mohanpur on 25.08.2023.
- The College offers **Vocational Guidance Training Program** to the students to prepare them for various competitive examinations.
- The College has initiated a **Cloth-Bank** to collect both new and used clothing, which are regularly distributed among the underprivileged in the surrounding areas, including the adopted villages. Students whole-heartedly participate in this initiative along with participation in study tours, field trips, and sports competitions.
- Faculty members organize awareness & orientation Programs, symposiums. They also participate in a number of **Faculty Development Programmes, Refresher Courses, Workshops, Seminars**, etc. throughout the year.
